DETAILED ACTION

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:
 - The primary reason for allowance of claims 1 and 19 is due to the inclusion of the limitation which states "wherein the insulating layer is made of an inorganic oxide, and wherein the light shielding film comprises a metal layer and a surface layer made of a metal oxide, the surface layer of the light shielding film being held in contact with the insulating layer." The limitation in combination with claims 1 and 19 overcomes the prior art.
 - The reason for allowance of claims 3-9 and 20 is due to their dependency on claims 1 and 19 which overcome the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
